

Walvis Bay Private High School

NEWSLETTER 11 — 29 MAY 2020

UPDATE ON THE STATE OF EMERGENCY—COVID 19 LOCKDOWN

Dear Parents

Firstly we would like to voice our appreciation to you as parents for your support and dedication through-out the lock-down period.

After the announcement of the President on Thursday 28 May 2020, due to recent epidemiological developments, Walvis Bay Local Authority Area will revert to STAGE 1 from the 29th of May 2020 to the 8th of June 2020. The observance period will be monitored.

Therefore, face to face schooling for Grade 11 and 12 learners will resume on Tuesday 9 June 2020. The Exam time-table for the Grade 11AS Lane and Grade 12 learners is included in this Newsletter. Grade 11 Ordinary Lane learners will commence with classes on the 9th of June 2020. E-Learning will continue with the other grades as of Monday 1 June 2020.

All our health protocol requirements are in place. A facemask, made out of material, will be handed to the learners as they enter the school for the first time. Sanitizers will be available at the entrance, in each classroom and in the ablution facilities. If you prefer that your child makes use of a facemask of your own choice, you are welcome to do so.

We advise you to continue to adhere to the health measures which include social distancing, immune boosters, flu vaccines, etc. Anyone with symptoms of a dry cough, high fever and shortness of breath should stay at home and consult a health practitioner or community health worker.

Kind regards

Mrs. Estelle Eigelaar
PRINCIPAL

HEALTH IMPLEMENTATION PLAN FOR WBPBS CONTINUES

PRECAUTIONARY MEASURES

CLASS ROOMS AND ABLUTION FACILITIES

- Prior to opening – the school will be disinfected and sanitized.
- When learners enter a classroom, their hands will be sprayed.
- There will be no assembly points in the morning or after break. All learners and educators will go directly to the register classes. Classes must be unlocked and open for learners to enter, and to be seated.
- All learners in the Junior Primary phase will stay in one classroom for the duration of the academic day. Educators will rotate from class to class.
- Senior Primary and Secondary learners will rotate for classes.
- Seating arrangements in the class will allow for social distancing.
- Classrooms will be deep cleaned on a weekly basis
- Toys and educational material in the Junior Primary Phase, will be disinfected every afternoon.
- No Physical Education classes will be done. For the Primary Phase, video for physical education.

ADDITIONAL MEASURES

- The refill and additional installation of hand sanitizers is already in use.
- Awareness to immune boosters and winter flu vaccinations – prerequisite for re-admissions by all learners and staff.
- Amendment of school timetable hours to avoid cold winter mornings
- No sport
- Health awareness talk on first day in different phases (JP, SP, SS by Guidance Centre)
- No admittance of any learners showing signs of any form of illness

Gelukkig is hy wie se hulp die God van Jorab is, wat sy hoop vestig op die Here sy God wat hemel en aarde gemaak het, die see en alles daarin, en wat altyd Sy beloftes nakom. Psalm 146: 5-6
